

GAMES AND SPORTS:

Games and Sports is an integral part of the school curriculum and the school takes a lead role in providing opportunities for physical activity to the students. In addition to the morning physical training, students get an exposure to all kinds of games through Inter house competitions organized throughout the year. Talented players are allowed to participate at the Regional and National level meets. It is praise worthy to note that, students of the school achieved glorified standards in the field of Games and Sports.

In addition to the daily routine, physical training is provided to all the students, the vidyalaya plans to impart coaching in sports for the students who are selected for the Cluster and Regional Sports and Games, special diet will be given during practice sessions. Inter school friendly match in Volleyball, Cricket are arranged with the co-operation of local sports/Govt.school teams.
